

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Please replace the paragraph appearing on page 9, lines 19-23, with the following amended paragraph:

In addition to rodents such as mice, hamsters, guinea pigs, rats and rabbits, for example, ~~chickens~~, dogs, cats, goats, sheep, cattle, pigs, monkeys, etc., can be used as the non-human mammal. Rodents such as mice, hamsters, guinea pigs, rats, and rabbits are preferred in light of the convenience, etc., of generation, raising, and use. Among these rodents, mice are most preferred.
